Practice Complaints Procedure

If you have a concern or complaint about the services that you have received from the doctors or any of the staff working in this Practice, please let us know. We operate an in-house Practice Complaints Procedure as part of the NHS system for dealing with complaints. Our complaints system meets national criteria.

How to complain

We hope that most problems can be sorted out easily and quickly, often at the time they arise and with the person concerned. If your problem cannot be sorted out in this way and you wish to make a complaint, we would like you to let us know as soon as possible – ideally within a matter of days or at most a few weeks – because this will enable us to establish what happened more easily. If it is not possible to do that, please let us have details of your complaint within 12 months of the incident that caused the problem, or within 12 months of you realising that you have something to complain about. A complaint may be verbally, in writing or electronically. Complaints should be addressed to:

Anne Holburn
Patient Liaison Officer
Westbourne Medical Centre
Bournemouth
BH4 9HJ
Tel. (01202) 752550
Email: patient.complaints@dorsetgp.nhs.uk

Alternatively, you may ask for an appointment to discuss your complaint. She will explain the complaints procedure to you and will make sure your concerns are dealt with promptly.

What we will do

All complaints, written and verbal will be recorded and will be acknowledged in writing within 3 working days of receipt. We will also give you an indication of the timescale in which you can expect a response from us. We shall then be able to offer you an explanation or a meeting with the people involved. When we investigate your complaint, we aim to:

- Find out what happened and what went wrong
- Make it possible for you to discuss the problem
- Identify what we can do to make sure the problem doesn't happen again

Complaining on behalf of someone else

Please note that we keep strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, we have to know that you have his or her permission to do so. A note signed by the person concerned will be needed, unless they are not capable (because of illness) of providing this. If at any stage there is a need to disclose information in those records to a person other than a doctor, partner, deputy or employee of the doctor, the Practice Manager will notify the patient as necessary.

NHS Complaints Procedure

We hope that if you have a problem you will use our Practice Complaints Procedure. We believe this will give us the best chance of putting right whatever has gone wrong and give us an opportunity to improve our Practice. This does not affect your right to approach the NHS Commissioning Board if you feel you cannot raise the complaint with us in the first place. Please address such complaints to:

NHS Commissioning Board
PO Box 16738
Redditch
B97 9PT
Tel. 0300 311 2233, Email: england.contactus@nhs.net

If, after complaining to either the Practice or the NHS Commissioning Board, you are still not satisfied that your complaint has been resolved satisfactorily, you may take your complaint to a Second Stage Review by contacting:

Parliamentary & Health Service Ombudsman
Millbank Tower
Millbank
London
SW1P 4QP
Tel. 0345 015 4033, Email: phso.enquiries@ombudsman.org.uk
